## **DETAILED ACTION**

## Allowable Subject Matter

- 1. Claims 1-50 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:

The instant application is deemed to be directed to a nonobvious improvement over the cited prior art used separately or together. The improvement comprises a business form comprising two layers of material, a strip label layer and a lamination layer having associated separation lines. The two layers are separated by a patterned adhesive layer, wherein the layers may be separated from the form and adhered with the same patterned adhesive layer to another business form with the lamination layer overlying the strip layer.

It is noted that the previous rejection of claims 14-17, 35-37 and 45-50 under 35 U.S.C. 112, 1<sup>st</sup> paragraph are withdrawn. The basis for withdrawing this rejection is found in applicant's remarks (Paper Received August 2, 2004 – Claims Rejections Under 112, ¶ 1). Applicant pointed out that support for claimed limitations is located on page 19, in lines 4-17, where the method of folding the strip label is described. The examiner agrees with applicant's remarks and has, therefore, withdrawn the rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 3722

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Monica S. Carter whose telephone number is (703) 305-0305. The examiner can normally be reached on Monday-Thursday (6:30 AM - 4:00 PM).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrea L. Wellington can be reached on (703) 308-2159. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
